**Please be aware the Consult Care Plan covers only consultations with our own first opinion vets Monday to Friday 9.15am to 4.50 pm.** Internal referral consultations attract 10% discount on the consultation (not further work). The scheme excludes: Medications, Lab sampling fees, lab fees interpretation, tonometry, Blood pressure, dressings and nail clipping. Any work beyond the consultations e.g. diagnostic work up, operations, hospitalisation, assessments once in hospital, hydrotherapy and physiotherapy are not included. The scheme does not replace an insurance policy. All medications, food and supplements are excluded from the scheme. Only applicable to consultations within businesses owned by Scarsdalevets LLP
